**URGENT MOTION OF DEBTORS FOR INTERIM AND FINAL ORDERS  
(A) PROHIBITING UTILITIES FROM ALTERING, REFUSING, OR DISCONTINUING  
SERVICE, (B) DEEMING UTILITIES ADEQUATELY ASSURED OF FUTURE  
PERFORMANCE, (C) ESTABLISHING PROCEDURES FOR DETERMINING  
ADEQUATE ASSURANCE OF PAYMENT, AND (D) SETTING FINAL HEARING**

To the Honorable United States District Court Judge Laura Taylor Swain:

On behalf of the Government of Puerto Rico (the “Commonwealth”) and the Puerto Rico Sales Tax Financing Corporation (“COFINA” and together with the Commonwealth, the “Debtors”), the Puerto Rico Fiscal Agency and Financial Advisory Authority (“AAFAF”) pursuant to the authority granted to it under the *Enabling Act of the Fiscal Agency and Financial Advisory Authority*, Act 2-2017, respectfully submits this motion (the “Motion”), pursuant to sections 105(a) and 366 of title 11 of the United States Code (the “Bankruptcy Code”), made applicable to these cases pursuant to section 301(a) of the *Puerto Rico Oversight, Management, and Economic Stability*

*Act* (“PROMESA”),<sup>1</sup> for entry of interim and final orders, substantially in the forms attached hereto as **Exhibit A** and **Exhibit B** (collectively, the “Utilities Order”), (a) prohibiting Utility Providers (as defined below) from altering, refusing, or discontinuing service, (b) deeming Utility Providers adequately assured of future performance, (c) establishing procedures for determining adequate assurance of payment, and (d) providing any further relief as is just and proper to effectuate the foregoing.<sup>2</sup> In addition, the Debtors request the Court to set a final hearing (the “Final Hearing”) on the Debtors’ proposed adequate assurance procedures. In support of this Motion, the Debtors respectfully represent as follows:

### **Jurisdiction and Venue**

1. The United States District Court for the District of Puerto Rico (the “Court”) has subject matter jurisdiction over this matter pursuant to PROMESA section 306(a).
2. Venue is proper pursuant to PROMESA section 307(a).
3. The statutory bases for the relief requested herein are Bankruptcy Code sections 105(a) and 366, made applicable to these title III cases by PROMESA section 301(a).

### **Background**

4. On June 30, 2016, the Oversight Board was established under PROMESA section 101(b). On August 31, 2016, President Obama appointed the Oversight Board’s seven voting members.
5. Pursuant to PROMESA section 315, “[t]he Oversight Board in a case under this title is the representative of the debtor[s]” and “may take any action necessary on behalf of the debtor[s] to prosecute the case[s] of the debtor[s], including filing a petition under section 304 of [PROMESA] . . . or otherwise generally submitting filings in relation to the case[s] with the court.”

---

<sup>1</sup> PROMESA is codified at 48 U.S.C. §§ 2101-2241.

<sup>2</sup> The Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), as the Debtors representative pursuant to PROMESA section 315(b), has authorized AAFAF to file this Motion on behalf of the Debtors.

6. On September 30, 2016, the Oversight Board designated the Debtors as covered entities under PROMESA section 101(d).

7. On May 3, 2017, the Oversight Board issued a restructuring certification pursuant to PROMESA sections 104(j) and 206 and filed a voluntary petition for relief for the Commonwealth pursuant to PROMESA section 304(a), commencing a case under title III thereof (the “Commonwealth’s Title III Case”).

8. On May 5, 2017, the Oversight Board issued a restructuring certification pursuant to PROMESA sections 104(j) and 206 and filed a voluntary petition for relief for COFINA pursuant to PROMESA section 304(a), commencing a case under title III thereof ( “COFINA’s Title III Case” and together with the Commonwealth’s Title III Case, the “Title III Cases”).

9. On May 9, 2017, the Debtors filed a motion seeking the joint administration of the Title III Cases, for procedural purposes only, pursuant to PROMESA section 304(g) and rule 1015 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), made applicable to these Title III Cases by PROMESA section 310 [D.I. 41].

10. Background information regarding the Commonwealth and its instrumentalities, and the commencement of these Title III Cases, is contained in the *Notice of Statement of Oversight Board in Connection with PROMESA Title III Petition* [D.I. 1], attached to the Commonwealth’s title III petition.

### **Utility Providers**

11. The Commonwealth is responsible for the procurement and payment of electricity, gas, water, sewer, waste, telephone and internet services, including mobile communications services, and other similar services (collectively, the “Utility Services”) for approximately 118 different governmental agencies and instrumentalities. To satisfy these obligations, the Commonwealth, on behalf of itself and its agencies and instrumentalities, contracts with hundreds of different utility companies (collectively, the “Utility Providers”), including those listed on

**Schedule 1** attached to the Utilities Order (the “Utility Provider List”),<sup>3</sup> to provide Utility Services to the Commonwealth and its agencies and instrumentalities. The Commonwealth has a long and established payment history with most—if not all—of their Utility Providers.

**Relief Requested**

12. By this Motion, the Debtors request entry of interim and final orders:
- a. determining that the Debtors’ Utility Providers have been provided with adequate assurance of payment within the meaning of Bankruptcy Code section 366;
  - b. approving the Debtors’ proposed offer of adequate assurance and procedures governing Utility Providers’ requests for additional or different adequate assurance;
  - c. prohibiting Utility Providers from altering, refusing, or discontinuing services on account of prepetition amounts outstanding or on account of any perceived inadequacy of the Debtors’ proposed adequate assurance;
  - d. establishing procedures for Utility Providers to opt out of the Debtors’ proposed adequate assurance procedures; and
  - e. determining the Debtors are not required to provide any additional adequate assurance beyond what is proposed by this Motion.

**Proposed Adequate Assurance**

**A. Proposed Adequate Assurance Procedures**

13. In light of the severe consequences to the Debtors of any interruption in services by Utility Providers, but recognizing Utility Providers’ right to evaluate the proposed adequate assurance on a case-by-case basis, the Debtors propose the following procedures (the “Adequate Assurance Procedures”):

---

<sup>3</sup> The Utility Provider List contains the names of all known Utility Providers that are currently providing, or have in the past provided, Utility Services to the Debtors. The inclusion of any entity on, as well as any omission of any entity from, the Utility Provider List is not an admission by the Debtors that such entity is, or is not, a utility within the meaning of Bankruptcy Code section 366, nor an admission by the Debtors that they have any payment obligation to a listed Utility Provider. The Debtors reserve all rights with respect thereto.

- a. As adequate assurance of future payment to Utility Providers, the Debtors propose to provide Utility Providers with an administrative expense priority claim for postpetition, unpaid Utility Services pursuant to Bankruptcy Code sections 503(b) and 507(a)(2), made applicable to these Title III Cases by PROMESA section 301(a) (the “Adequate Assurance Claim”). The Debtors note subsection (c)(1)(B) of Bankruptcy Code section 366, which states that administrative expense priority does not constitute adequate assurance, is expressly only applicable in a case under chapter 11 of the Bankruptcy Code, and thus inapplicable to these Title III Cases.
- b. If a Utility Provider is not satisfied with the assurance of future payment provided by the Debtors, the Utility Provider must serve a written request (the “Additional Assurance Request”) upon the Debtors setting forth (i) the location(s) for which Utility Services are provided, (ii) the account number(s) for such location(s), (iii) the outstanding balance for each account, (iv) a summary of the Debtors’ payment history on each account, (v) a summary of any security deposits provided by the Debtors to such Utility Provider, and (vi) an explanation of why the Adequate Assurance Claim is inadequate assurance of payment.
- c. The Additional Assurance Request must be in writing, in English (or fully translated into English by a certified translator) and actually be filed with the Court and received by (i) the Debtors, (ii) counsel to AAFAF, (iii) the Oversight Board, and (iv) counsel to the Oversight Board, so that it is received on or before seven (7) calendar days prior to the Final Hearing (the “Request Deadline”).
- d. The Debtors may, in their sole discretion and without further order of this Court, resolve any Additional Assurance Request by mutual agreement with the Utility Provider, and in connection with any such agreement, may provide a Utility Provider with additional adequate assurance of future payment including, but not limited to, cash deposits, letters of credit, prepayments, and/or other forms of security.
- e. If the Debtors determine an Additional Assurance Request is not reasonable and is not able to reach an alternative resolution with the Utility Provider before the Final Hearing, the Debtors propose that the Court determine the adequacy of the proposed adequate assurance for such Utility Provider at the Final Hearing, at the next regularly scheduled omnibus hearing, or as otherwise determined by this Court; provided, however, that the Debtors, with the consent of such Utility Provider, may continue any unresolved Additional Assurance Request to a hearing date after the Final Hearing, and provided, further, that the Debtors request any objecting Utility Provider be prohibited from altering, refusing, or discontinuing Utility Services to, or discriminating against, the Debtors over any unpaid charges for prepetition Utility Services or any perceived inadequacy of the proposed adequate assurance, pending final resolution of any Additional Assurance Request.

- f. A Utility Provider shall be deemed to have adequate assurance of payment unless and until (i) the Debtors, in their sole discretion, agree to an Additional Assurance Request or agree to an alternative assurance of payment with the Utility Provider, or (ii) the Court enters an order requiring additional adequate assurance of payment be provided.
- g. Any Utility Provider that fails to make a timely Additional Assurance Request by the Request Deadline shall be deemed to have received adequate assurance of payment satisfactory to such Utility Provider as required by Bankruptcy Code section 366, and will be prohibited from altering, refusing, or discontinuing Utility Services to, or discriminating against, the Debtors on the basis of the commencement of these Title III Cases, on account of any unpaid invoice for services provide before the applicable petition date, or any perceived inadequacy of the proposed adequate assurance.
- h. At any time, the Debtors may terminate service from any of their Utility Providers, such termination being effective immediately upon the Debtors' notice to the Utility Provider. At such time, the Debtors shall no longer be required to make any more payments to such Utility Provider for any services provided after such termination, and to the extent such Utility Provider holds a deposit or excess funding, it shall be returned forthwith.

**B. Subsequent Modifications of Utility Provider List**

14. Although the Debtors made an extensive and good-faith effort to identify all of their Utility Providers, certain Utility Providers that currently provide Utility Services to the Debtors may not be listed on the Utility Provider List. To the extent the Debtors identify additional Utility Providers, the Debtors will promptly file amendments to the Utility Provider List, and shall serve copies of the Utilities Order on such newly-identified Utility Providers. Following the Debtors' filing and service of such amendment to the Utility Provider List (which shall include a copy of the final order approving this Motion), the Debtors propose the added Utility Providers identified thereon shall have twenty-one (21) calendar days therefrom to serve an Additional Assurance Request. Thereafter, the above-described procedures shall govern if and until any such resulting Additional Assurance Requests are timely made.

15. The Debtors request the Utilities Order be binding on all Utility Providers, regardless of when such Utility Provider was added to the Utility Provider List.

**Basis for Relief**

16. Bankruptcy Code section 366(a), made applicable to these Title III Cases by PROMESA section 301(a), prevents utility companies from discontinuing, altering, or refusing service to a debtor during the first twenty (20) days of a debtor's bankruptcy filing. *See* 11 U.S.C. § 366(a). Congress enacted Bankruptcy Code section 366 to protect debtors from utility service cutoffs upon a bankruptcy filing while, at the same time, providing utility companies with adequate assurance the debtors will pay for postpetition services. *See* H.R. REP. No. 95-595, at 350 (1978), reprinted in 1978 U.S.C.C.A.N. 5963, 6306; *Martinez v. Autoridad de Aqueductos y Alcantraillados (In re Martinez)*, 504 B.R. 722, 729 (Bankr. D.P.R. 2014) ("Seeking to strike a balance between the general right of a creditor to refuse to do business with a debtor post-petition, and the debtor's need for utility service, Congress enacted Section 366 as part of the Bankruptcy Code of 1978.").

17. Bankruptcy Code section 366(b) permits a utility to discontinue utility service if the debtor fails to furnish "adequate assurance of payment, in the form of a deposit or other security" for postpetition services in the first twenty (20) days of a bankruptcy filing. 11 U.S.C. § 366(b).<sup>4</sup> Courts maintain the discretion to determine what type of adequate assurance of payment is necessary in a bankruptcy. *See Va. Elect. & Power Co. v. Caldor, Inc.*, 117 F.3d 646, 650 (2d Cir. 1997) ("Even assuming that 'other security' should be interpreted narrowly, a bankruptcy court's authority to 'modify' the level of the 'deposit or other security' provided for under § 366(b) includes the power to require 'no deposit or other security' where none is necessary to provide a utility supplier with 'adequate assurance of payment.'").

---

<sup>4</sup> By its terms, Bankruptcy Code section 366(c) governs the provision of adequate assurance in chapter 11 cases and does not apply to these Title III Cases. *See In re Astle*, 338 B.R. 855, 859 (Bankr. D. Idaho 2006) ("This Court is thus persuaded by statutory structure and language to conclude that all of subsection (c) applies only in chapter 11 cases and, to the precise point at issue in the present case, the specification of acceptable forms of adequate assurance of payment found in § 366(c)(1)(A) applies only in chapter 11 cases.").

18. Courts have long recognized adequate assurance of performance does not constitute an absolute guarantee of a debtor's ability to pay. *See In re Caldor*, 199 B.R. 1, 3 (S.D.N.Y. 1996) (Bankruptcy Code section 366(b) "does not require an 'absolute guarantee of payment'"). Courts have also recognized, in determining the amount of adequate assurance, courts should focus "on the need of the utility for assurance, and to require that the debtor supply no more than that, since the debtor almost perforce has a conflicting need to conserve scarce financial resources." *Caldor*, 117 F.2d at 650; *see also In re Penn. Cent. Transp. Co.*, 467 F.2d 100, 103-04 (3d Cir. 1972) (affirming bankruptcy court's ruling that no utility deposits were necessary where such deposits would likely "jeopardize the continuing operating of the [debtor] merely to give further security to suppliers who are already reasonably protected"). Accordingly, demands by a utility for a guarantee of payment when it already has adequate assurance of payment in light of the Debtors' specific circumstances should be refused.

19. Based upon the foregoing, the Debtors believe the proposed adequate assurance is sufficient adequate assurance of payment within the meaning of Bankruptcy Code section 366. As an initial matter, the Debtors anticipate they will have sufficient funds to pay operating costs, including the Utility Services. Second, the proposed Adequate Assurance Claim provides Utility Providers with certainty that their claims for postpetition services will be treated and paid as administrative expenses. These factors—which the Court may (and should) consider when determining the amount of any adequate assurance payments—justify a finding that the proposed Adequate Assurance is more than sufficient to assure Utility Providers of future payment.

20. If any Utility Provider disagrees with the Debtors' analysis, however, the procedures proposed in this Motion will enable the parties to negotiate and, if necessary, seek Court intervention without jeopardizing these Title III Cases, while still protecting a Utility Provider's rights under Bankruptcy Code section 366.

21. Moreover, the Court has authority to approve the proposed Adequate Assurance Procedures pursuant to Bankruptcy Code section 105(a), which provides that the Court “may issue any order, process or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a).

22. The Adequate Assurance Procedures are reasonable and appropriate, and they ensure all parties will act in good faith when exercising their rights under Bankruptcy Code section 366. Accordingly, the Court should approve the proposed Adequate Assurance Procedures.

<sup>6</sup> PROMESA section 305 provides:

LIMITATION ON JURISDICTION AND POWERS OF COURT.

Subject to the limitations set forth in titles I and II of this Act, notwithstanding any power of the court, unless the Oversight Board consents or the plan so provides, the court may not, by any stay, order, or decree, in the case or otherwise, interfere with—

- (1) any of the political or governmental powers of the debtor;
- (2) any of the property or revenues of the debtor; or
- (3) the use or enjoyment by the debtor of any income producing property.

WHEREFORE the Debtors respectfully request the Court to enter the Utilities Order, (a) prohibiting Utility Providers from altering, refusing, or discontinuing service, (b) deeming Utility Providers adequately assured of future performance, (c) establishing procedures for determining adequate assurance of payment, (d) setting the Final Hearing, and (e) granting the Debtors such other relief as is just and proper.

the Court having found that the relief requested in the Motion is in the best interests of the Debtors, their creditors, and other parties in interest; and the Court having found that the Debtors provided adequate and appropriate notice of the Motion under the circumstances and that no other or further notice is required; and the Court having reviewed the Motion and having heard the statements of counsel in support of the Motion at a hearing held before the Court (the “Hearing”); and the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and any objections to the interim relief requested in the Motion having been withdrawn or overruled on the merits; and upon the record herein, after due deliberation thereon, the Court having found that good and sufficient cause exists for the granting of the relief as set forth herein,

**THEREFORE, IT IS HEREBY ORDERED THAT:**

1. The Motion is granted on an interim basis as set forth herein.
2. The deadline by which objections to the Motion and the entry of a final order must be filed is \_\_\_\_\_, 2017, at 4:00 p.m. (prevailing Atlantic Standard Time). A final hearing, if required, on the Motion will be held on \_\_\_\_\_, 2017, at \_\_\_\_\_ .m. (prevailing Atlantic Standard Time) (the “Final Hearing”). If no objections are filed to the Motion by a Utility Provider, the Court may enter a final order without further notice or hearing as to such Utility Provider(s).
3. Except in accordance with the procedures set forth below, absent further order of the Court, each Utility Provider, including Utility Providers that currently provide Utility Services but are not listed on the Utilities Provider List, is prohibited from (a) altering, refusing, or discontinuing service to, or discriminating against the Debtors on the basis of the commencement of these Title III Cases or on account of any unpaid invoice for services

provided before the applicable petition date, and (b) requiring the payment of a deposit or other security in connection with Utility Providers' continued provision of Utility Services.

4. The relief granted herein is for all Utility Providers providing Utility Services to the Debtors and is not limited to those parties listed on the Utility Provider List attached to the Motion.

5. The Motion and this order shall be served, via first-class mail, on each Utility Provider included on the Utility Provider List and all other parties required to receive service.

6. The Debtors are authorized and directed to provide each of their Utility Providers with an administrative expense priority claim for postpetition, unpaid Utility Services (the "Adequate Assurance Claim") as adequate assurance of payment to Utility Providers.

7. If a Utility Provider is not satisfied with the assurance of future payment provided by the Debtors, the Utility Provider must serve a written request (the "Additional Assurance Request") upon the Debtors setting forth (i) the location(s) for which Utility Services are provided, (ii) the account number(s) for such location(s), (iii) the outstanding balance for each account, (iv) a summary of the Debtors' payment history on each account, (v) a summary of any security deposits provided by the Debtors to such Utility Provider, and (vi) an explanation of why the Adequate Assurance Claim is inadequate assurance of payment.

8. The Additional Assurance Request must be in writing, in English (or fully translated into English by a certified translator) and actually be filed with the Court and received by (i) the Debtors, (ii) counsel to the Puerto Rico Fiscal Agency and Financial Advisory Authority, (iii) the Oversight Board, and (iv) counsel to the Oversight Board, so that it is received on or before seven (7) calendar days prior to the Final Hearing (the "Request Deadline").

9. The Debtors may, in their sole discretion and without further order of the Court, resolve any Additional Assurance Request by mutual agreement with the Utility Provider, and in connection with any such agreement, may provide a Utility Provider with additional adequate assurance of future payment including, but not limited to, cash deposits, letters of credit, prepayments, and/or other forms of security.

10. If the Debtors determine an Additional Assurance Request is not reasonable and is not able to reach an alternative resolution with the Utility Provider before the Final Hearing, the Court shall determine the adequacy of the proposed adequate assurance at the Final Hearing, at the next regularly scheduled omnibus hearing, or as otherwise determined by this Court; provided, however, that the Debtors, with the consent of such Utility Provider, may continue any unresolved Additional Assurance Request to a hearing date after the Final Hearing, and provided, further that any objecting Utility Provider shall be prohibited from altering, refusing, or discontinuing Utility Services to, or discriminating against, the Debtors over any unpaid charges for prepetition Utility Services or any perceived inadequacy of the proposed adequate assurance, pending final resolution of the Additional Assurance Request.

11. A Utility Provider shall be deemed to have adequate assurance of payment unless and until (i) the Debtors, in their sole discretion, agree to an Additional Assurance Request or agree to an alternative assurance of payment with the Utility Provider, or (ii) the Court enters an order requiring additional adequate assurance of payment be provided.

12. Any Utility Provider that fails to make a timely Additional Assurance Request by the Request Deadline shall be deemed to have received adequate assurance of payment satisfactory to such Utility Provider as required by Bankruptcy Code section 366, and shall be prohibited from altering, refusing, or discontinuing Utility Services to, or discriminating against,

the Debtors on the basis of the commencement of these Title III Cases, on account of any unpaid invoice for services provided before the applicable petition date, or any perceived inadequacy of the proposed adequate assurance.

13. At any time, the Debtors may terminate service from any of their Utility Providers, such termination being effective immediately upon the Debtors' notice to the Utility Provider. At such time, the Debtors shall no longer be required to make any more payments to such Utility Provider for any services provided after such termination, and to extent such Utility Provider holds a deposit or excess funding, it shall be returned forthwith.

14. To the extent the Debtors identify additional Utility Providers, the Debtors will file amendments to the Utility Provider List, and shall serve a copy of this order on such newly-identified Utility Providers. Following the Debtors' filing and service of such amendment to the Utility Provider List (which shall include a copy of this order), the added Utility Providers identified shall have twenty-one (21) calendar days therefrom to serve an Additional Assurance Request. Thereafter, the above-described procedures shall govern if and until any such resulting Additional Assurance Requests are timely made.

15. In the event the Debtors default postpetition in respect of any of its obligations under this order to any Utility Provider, such Utility Provider may seek additional adequate assurances in this Court upon motion and appropriate notice to the Debtors and interested parties.

16. Notwithstanding the relief granted herein or any actions taken pursuant thereto, nothing herein shall be deemed: (a) an admission as to the validity of any claim against the Debtors; (b) a waiver of the Debtors' right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined hereunder; (e) a request or authorization to assume any agreement,

contract, or lease pursuant to Bankruptcy Code section 365; (f) an admission or concession that each such entity is a “utility” within the meaning of Bankruptcy Code section 366; or (g) a waiver of the Debtors’ rights under PROMESA, the Bankruptcy Code, or any other applicable law.

17. Notwithstanding the applicability of any Bankruptcy Rule, the terms and conditions of this order shall be immediately effective and enforceable upon its entry.

18. The Debtors and the Oversight Board, as the Debtors’ representative, are authorized to take all actions, and to execute all documents, necessary or appropriate, to effectuate the relief granted in this order in accordance with the Motion.

19. This Court shall retain exclusive jurisdiction to hear and determine any and all disputes related to or arising from the implementation, interpretation, and enforcement of this order.

<sup>1</sup> Capitalized terms not otherwise defined herein shall have the meanings given to them in the Motion.

the Court having found that the relief requested in the Motion is in the best interests of the Debtors, their creditors, and other parties in interest; and the Court having found that the Debtors provided adequate and appropriate notice of the Motion under the circumstances and that no other or further notice is required; and the Court having reviewed the Motion and having heard the statements of counsel in support of the Motion at a hearing held before the Court (the “Hearing”); and the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and any objections to the relief requested in the Motion having been withdrawn or overruled on the merits; and upon the record herein, after due deliberation thereon, the Court having found that good and sufficient cause exists for the granting of the relief as set forth herein,

**THEREFORE, IT IS HEREBY ORDERED THAT:**

1. The Motion is granted as set forth herein.
2. Except in accordance with the procedures set forth below, absent further order of the Court, any Utility Provider who failed to timely file its Adequate Assurance Request is hereby: (a) forbidden to discontinue, alter, or refuse service to, or discriminate against, the Debtors on the basis of the commencement of these Title III Cases, on account of any unpaid invoice for services provided before the applicable petition date, or any perceived inadequacy of the proposed adequate assurance; and (b) deemed to have received adequate assurance of payment in compliance with Bankruptcy Code section 366.
3. The relief granted herein is for all Utility Providers providing Utility Services to the Debtors and is not limited to those parties listed on the Utility Provider List attached to the Motion.

4. The Debtors are authorized and directed to provide their Utility Providers with an administrative expense priority claim for postpetition, unpaid Utility Services (the “Adequate Assurance Claim”) as adequate assurance of payment to Utility Providers.

5. Any Utility Provider who failed to timely file an objection to the Motion is deemed to consent to the Adequate Assurance Procedures and shall be bound by the Adequate Assurance Procedures. The sole recourse of all Utility Providers that failed to timely file an objection to the Motion shall be to submit an Additional Assurance Request, pursuant to the Adequate Assurance Procedures, and such Utility Providers shall be enjoined from ceasing performance pending any hearing that may be conducted pursuant to the Adequate Assurance Procedures.

6. The Debtors may, in their sole discretion and without further order of this Court, resolve any Additional Adequate Assurance Request by mutual agreement with the Utility Provider, and in connection with any such agreement, may provide a Utility Provider with an additional adequate assurance of future payment including, but not limited to, cash deposits, letters of credit, prepayments, and/or other forms of security.

7. If the Debtors determine an Additional Assurance Request is not reasonable and is not able to reach an alternative resolution with the Utility Provider before the Final Hearing, the Court shall determine the adequacy of the proposed adequate assurance for such Utility Provider at the next regularly scheduled omnibus hearing or as otherwise determined by the Court; provided, however that the Debtors, with the consent of such Utility Provider, may continue any unresolved Additional Assurance Request, and provided, further, that the Utility Provider shall be prohibited from altering, refusing, or discontinuing Utility Services to, or discriminating against, the Debtors over any unpaid charges for prepetition Utility Services or any perceived

inadequacy of the proposed adequate assurance, pending final resolution of any Additional Assurance Request.

8. A Utility Provider shall be deemed to have adequate assurance of payment unless and until (i) the Debtors, in their sole discretion, agree to an Additional Assurance Request or agree to an alternative assurance of payment with the Utility Provider, or (ii) the Court enters an order requiring additional adequate assurance of payment be provided.

9. At any time, the Debtors may terminate service from any of their Utility Providers, such termination being effective immediately upon the Debtors' notice to the Utility Provider. At such time, the Debtors shall no longer be required to make any more payments to such Utility Provider for any services provided after such termination, and to the extent such Utility Provider holds a deposit or excess funding, it shall be returned forthwith.

10. To the extent the Debtors identify additional Utility Providers, the Debtors will file amendments to the Utility Provider List, and shall serve a copy of this order on such newly-identified Utility Providers. Following the Debtors' filing and service of such amendment to the Utility Provider List (which shall include a copy of this order), the added Utility Providers identified shall have twenty-one (21) calendar days therefrom to serve an Additional Assurance Request. Thereafter, the above-described procedures shall govern if and until any such resulting Additional Assurance Requests are timely made.

11. In the event the Debtors default postpetition in respect of any of its obligations under this order to any Utility Provider, such Utility Provider may seek additional adequate assurances in this Court upon motion and appropriate notice to the Debtors and interested parties.

12. Notwithstanding the relief granted herein or any actions taken pursuant thereto, nothing herein shall be deemed: (a) an admission as to the validity of any claim against the

Debtors; (b) a waiver of the Debtors' right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined hereunder; (e) a request or authorization to assume any agreement, contract, or lease pursuant to Bankruptcy Code section 365; (f) an admission or concession that each such entity is a "utility" within the meaning of Bankruptcy Code section 366; or (g) a waiver of the Debtors' rights under PROMESA, the Bankruptcy Code, or any other applicable law.

13. Notwithstanding the applicability of any Bankruptcy Rule, the terms and conditions of this order shall be immediately effective and enforceable upon its entry.

14. The Debtors and the Oversight Board, as the Debtors' representative, are authorized to take all actions, and to execute all documents, necessary or appropriate, to effectuate the relief granted in this order in accordance with the Motion.

15. This Court shall retain exclusive jurisdiction to hear and determine any and all disputes related to or arising from the implementation, interpretation, and enforcement of this order.
